Recipe adapted from southernbite.com "Easiest One-Pot Mac & Cheese"

- 1 In a large pot or a deep skillet, add the milk, water, and salt over medium high heat.
- 2 Stir in the uncooked pasta and bring to a boil.
- 3 Cut the broccoli into small florets, and add to the skillet once it starts to boil.
- 4 Reduce to a simmer and cook, stirring frequently, for 10-12 minutes, or until the pasta is tender and most of the liquid has been absorbed. Cover when not stirring.
- 5 If the liquid is mostly absorbed before the pasta is fully cooked, add 1/2 cup more water.
- 6 Continue cooking and stirring until pasta is tender, adding more water or milk if needed.
- 7 Turn off the heat and stir in the cheese. Stir until melted. Serve immediately.
